COLLECTIVE BARGAINING AND ARBITRATION EXPERIENCE

With more than 15 years of experience in labor and management, I have participated in national and local collective bargaining in the healthcare, entertainment, building trades, and service industries, as well as the public sector. I have been an advocate in hundreds of arbitrations, administrative hearings, mediations, state and federal litigation, and have advised unions and employers on practical and legal matters related to contract interpretation, representation issues, employment law, election law, ERISA and occupational safety and health. I have appeared before at least a dozen arbitrators and mediators, and litigated bench and jury trials in state and federal court. I have experience with labor-management partnerships and interest-based bargaining. I have also managed professional and union staff.
